Carpool for Cash is for carpoolers who use their Traffic Solutions commute calendar. You can participate whether you already have a carpool partner, or you find one using your Traffic Solutions Online account. Each time you log a carpool trip on your commute calendar, your name is entered into the monthly raffle for FIVE \$100 cash prizes! The more you carpool, the greater your chance of winning. The first 300 Carpoolers to reach 50 trips can also choose a \$10 gift certificate to a local business of their choice.

Carpoolers who work or attend school in the County of Santa Barbara are eligible, regardless of their county of origin.
